Received by _____

A security deposit intended to guarantee payment of bills is required for each service connection. Customer deposits shall be required of all customers who are tenants, or others having no established credit record, and of those who have an unacceptable credit record or who have prior record of failure to pay water bills rendered. Citizens who rent the home they occupy are required to leave a one hundred dollar (\$100.00) deposit when applying for service, which is refundable upon leaving or buying the home. An occurrence or recurrence of a bad payment record may be the occasion for the City Clerk to require a new or larger deposit for the continuation of services.

All information obtained will be kept confidential and is not considered public records.

Should you have question about the deposit or some other aspect of utility service, please call the City Clerk's office at **712-372-4791**.
